State the type of addition or new building to be made to your Lot:

---

---

---

---

---

---

---

---

---

Attach a plat map with dimensions and location of structure.

Permitting requirements have changed for San Jacinto County. All structures over 10' x 10' must have a county permit. If a permit is not secured from the county at the time the POA permit is filed, the property owner is responsible for obtaining a permit and sending a copy to the POA for our records.

County Permit information is located at: <http://www.co.san-jacinto.tx.us/page/sanjacinto.permitdepartment>

HS1 Deed Restrictions may be found at: <http://www.holidayshores1.org> under "Reports"
